Service & Industry Overview

Reporting Engagements

Andrews Hooper Pavlik PLC (AHP) performs reporting engagements for businesses of all types and sizes through a broad range of services in which some level of assurance is generally expressed through the issuance of a report. The level of assurance expressed depends on the nature of the engagement and the client's needs.

Accounting Assistance

AHP can assist you with accounting procedures that are typically associated with your business' normal accounting function. These services can include procedures or tasks required to record, value, or summarize accounting balances and transactions and the presentation of this information in financial statement form.

Tax

Our tax services are designed to meet a variety of your planning and compliance needs. AHP's professionals stay current on constantly changing tax law and tax court rulings that may affect you. In addition, our professionals can apply practical knowledge to your situation. We concentrate our tax planning efforts on minimizing taxes in total for both the company and the individuals involved.

AHP Consulting LLC

As your accounting advisors, we are in a unique position because we already have a clear understanding of your needs and objectives. Through AHP Consulting LLC we offer a broad range of business consulting services to help your business improve processes, manage risk, and promote growth. We also offer an extensive array of technology services that are designed to assist you in identifying and organizing your business' pertinent information, safeguarding it from unauthorized users, and regenerating it should a disaster occur.

AHP Financial Services Inc.

AHP Financial Services Inc. (AHPFS), an affiliate of AHP, provides a full range of retirement planning services. The number one financial concern for most individuals is making sure they do not outlive their retirement income. AHPFS's goal is to ease those concerns by ensuring each client has a suitable plan in place to fund their retirement, as well as manage their income once they retire.
