SAGINAW, MI, October 16, 2025 — Andrews Hooper Pavlik PLC (AHP) is pleased to announce the merger of Hofstra, Bott & Kraft, P.C. (HBK) with AHP effective November 1, 2025.

Hofstra, Bott & Kraft, P.C. is a certified public accounting firm in Traverse City, Michigan. The addition of the HBK partners and staff increases the AHP offices to 11 cities throughout the state of Michigan to include over 180 team members.

“It is exciting to be expanding into the Traverse City and surrounding areas with the addition of HBK,” said AHP managing partner Traci Moon, CPA. “HBK’s philosophy of providing big firm experience, with small firm attention, matches well with AHP’s history of providing client-focused services that bring value to our clients. Combining our two firms will make our service offerings even stronger.”

All HBK team members in the Traverse City office will continue to provide quality service to their clients from their location at 1515 Cass Street, Traverse City. “Merging with AHP provides HBK with much needed capacity to service our clients along with greater strengths in the areas of administration, technology, and research. Our firms have similar operating philosophies, and we will continue to provide the personal service that we have provided in the past,” said HBK partners Chris Bott, CPA and John Kraft, CPA. “We are excited to be part of the AHP team and look forward to many years of providing the same quality service to our clients.”
